Dax Networks' Smart 10G Cat-6A Cabling Solution

The company has launched its Smart 10G Cat-6A Cabling Solution, based on 10G Ethernet on Copper. The solution is priced at Rs 26,990. It provides transmission and supports the operation of 10GBASE-T over 100 mtrs. The 10GBASE-T uses 4-pair transmission and the aggregate data rate of 10 Gb/s is achieved by transmitting 2.5 Gb/s over each pair. Hybrids and cancellers are used to facilitate simultaneous transmission in both directions (full duplex). It can be used for frequencies up to 500 MHz.
