4937 Village Kiosks for West Bengal

Dax Networks has executed an e-Governance project in West Bengal (WB) for Srei Infrastructure Finance Ltd. In this project, Dax has networked 4937 village kiosks in West Bengal through its partner. This project comes under the purview of Srei Sahaj e-Village Ltd, a subsidiary of Srei Infrastructure Finance Ltd. In line with the National e-Governance Plan (NeGP), Srei Sahaj e-Village is setting up over 20,000 Common Service Centres (CSCs) across the country, to bridge the digital divide between rural and urban India. Besides West Bengal, Srei Sahaj e-Village is also planning to set up CSCs in Bihar, Uttar Pradesh, Tamil Nadu and Assam.
